

Advance 7.0 oz Brush Pant - Khaki

Advance 7.2 oz Brush Pant - Khaki

The Advance 7.2 oz Brush Pant has been meticulously designed to achieve an optimal balance of appearance, comfort, and performance. These pants reflect years of user-driven refinements combined with our proprietary design innovations, culminating in unparalleled functionality and durability. The tailored fit is specifically engineered to reduce drag while navigating challenging terrain and dense undergrowth, enhancing mobility and efficiency. This athletic silhouette not only improves performance in demanding environments but also ensures a professional and polished appearance, whether in the field or at the station

Pant Features

- Roomy front slash pockets
- Pocket design keeps flaps closed while putting on turnout gear
- Pockets placed high enough to prevent contents from bumping into knees
- Pants have stress points bar tack stitching in 34 spots for extra durability
- Exclusive crotch reinforcement panel
- Internal smartphone and BDU divider pockets
- Pleated cargo pockets with drainage holes
- Articulated knees for more natural motion
- Elastic side bands for stretchability without chaffing on lower back
- Made with Nomex® thread
- Hook and loop ankle straps covered with self-fabric for heat resistance
- Waist sizes 44/2XL and larger are non-returnable
